Letter No - 462/ 0170/2016

Date- 21-09-2016

To,

Deputy Program Manager,  
PIU, (R&B). UDRP,  
Dehradun.

**Subject:- Regarding Grievance related to construction of Aithal Bridge.**

Dear Sir,

With reference to email grievance of Mr. Sadakhat from Luxer Haridwar of dated 02-09-2016, we would like to say that causeway is already rectified by the contractor as water level and current of the river reduced to some extent, but this arrangement is purely temporary as water level of this river is fluctuating a lot hence, permanent relief can be done only after monsoon season is over.

Thank You.

  
Executive Engineer  
World Bank Division  
P.W.D chakrata
