The respective D.P.R.'s were submitted to P.D. P.M.U. for Administrative Approval and Financial Sanction by P.I.U. (R&B). The HPC after deliberations and endorsements of the District Magistrates on the suitability and priority of the particular road work gave the following direction:

It was also decided that if road is in kutcha state that will be reconstructed upto blacktop (BT) level i.e. Premix Carpet level and if the road is already BT level then the roads will be reconstructed to its pre-disaster state. DPRs should include reflective signage, crash barriers, etc. so that work done is can be properly secured and made traveler friendly. HPC further directed that if fund remains the constraint then number of roads can be reduced from the list proposed to WB and ADB while negotiating the loan.
